

Meet Dr. Shohreh Sharif

Dr. Sharif received her Bachelor of Science in Biology from George Mason University and has been practicing dentistry in the Northern Virginia community for the past 20 years. She graduated with honors from Dental School and further completed a two year residency and received her certificate in Pediatric Dentistry from Howard University College of Dentistry. She has passed the rigorous board certification process and is a diplomat of the American Board of Pediatric Dentistry and American Orthodontic Society.

Meet Dr. Samon Nazemian

Dr. Nazemian earned his Doctor of Medicine in Dentistry from Nova Southeastern University in Fort Lauderdale, Florida. As a child it was his passion to help others and make a difference in the community. After his predoctoral studies he returned home to earn his specialty degree from the illustrious Howard University College of Dentistry. When not working in the office Dr. Nazemian enjoys spending time with family, cooking, being outdoors, visiting museums, going to concerts, and sports. He is a lifelong DC sports fan and a global soccer lover.
